Profile

Full-Stack Developer (MERN) with expertise in building scalable web applications, REST APIs, and cross-platform solutions. Experienced with React, Node.js, MongoDB. Strong problem-solving skills (350+ LeetCode problems) with a focus on secure, performant, and user-centric solutions.

Technical Skills

Languages: JavaScript (ES6+), TypeScript, Python, C++, C#, Kotlin
Frontend: React.js, Redux, HTML5, CSS3, Bootstrap 5, Responsive Design, PWA
Backend: Node.js, Express.js, MongoDB, Mongoose, REST APIs, JWT, OAuth, Microservices, GraphQL
Testing: Jest, React Testing Library, Cypress
Tools: Git, GitHub, Figma, AWS (EC2, S3)

Education

VIT Bhopal University — Bhopal, MP
B.Tech. in Computer Science — Specialization: Cyber Security & Digital Forensics — GPA: 8.51/10 — *Nov 2022 – Present*

Projects

Event Management System (MERN Stack) | React, Node.js, Express, MongoDB, JWT — *Jan 2025 – Apr 2025*
- Developed a full-stack platform for event discovery, booking, and management.
- Implemented JWT & bcrypt-based authentication with Role-Based Access Control (RBAC).
- Created REST APIs for event, ticket, and user management; deployed on Netlify & Render with CI/CD.
- Integrated file uploads using Multer & Axios; optimized MongoDB performance with indexes.

Dharma Desk – Browser Extension | JavaScript, HTML, CSS, LocalStorage — *Aug 2025*
- Transformed browser new tab into a spiritual productivity workspace.
- Added Bhagavad Gita quotes, goal tracking, and persistent task management.
- Ensured responsive UI and smooth user experience.

Reusable UI Component Library | React, SASS, Material UI, Storybook, Jest — *Sep 2025 – Present*
- Building a reusable design system with buttons, modals, forms, and navigation components.
- Styled using SASS & Material UI for maintainability and scalability.
- Documented with Storybook and tested using Jest + React Testing Library.

Daily Habit Tracker App | React Native, Expo, Firebase — *Sep 2025 – Present*
- Developing a cross-platform mobile app for habit tracking.
- Features: reminders, streak tracking, offline-first support (PWA fallback).
- Focused on mobile-first UI and cross-device compatibility.

Certifications & Training

Scrimba Frontend Developer Certification (2025) – HTML, CSS, JavaScript, React.

Data Structures & Algorithms by Striver (2024) – Solved 200+ LeetCode problems.

Extracurricular & Hobbies

National Cadet Corps (Feb 2020 – Jul 2022) – developed teamwork, discipline, and leadership.

Reading fiction novels and self-help books for personal growth and mental well-being.
